COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

A statement of reasons for allowance was set forth in the Notice of Allowance mailed September 20, 2004, in connection with the above-identified application.

While Applicants agree that the pending claims are allowable for at least the reasons set forth in the Examiner's statement, Applicants submit that the claims of the present application are patentable over the art of record for reasons in addition to those listed in the Examiner's statement. For example, Applicants note that the Examiner's statement references only certain features of the independent claims. The remaining claims, however, contain additional recitations that are patentable over the references of record. Accordingly, Applicants reserve the right to pursue claims of different scope than those in the present application.

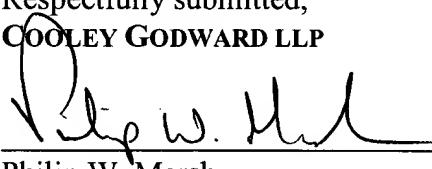

This statement commenting on the reasons for allowance is timely submitted.
